

How many household items can you replace the vinegar with in the baking soda and vinegar experiment?

Items	PH number	Did it work?
Grapefruit juice	3	Yes
Soy Sauce	7	No
Pickle Juice	4	Yes
Orange soda	3	No
Mountain Dew	4	No
Vegetable Oil	6	No
Hydrogen Peroxide	7	No

Results are Grapefruit juice and Pickle juice.

Hypothesis: I thought the Hydrogen Peroxide would work.
