

WH

when wheat white whiz

whip whim which whopper

There are some wh words that don't follow the rules we've learned. You should just know them:

who, whose, what, where

When did he leave his job?

Which game did she like best?

Whose bike is this?

What team has a white logo?

Where is the whiz kid who likes math?

Who told that whopper of a tale?

What's the weather at Penn State?
