

Favorite Pets Bar Graph

Kim asked her friends to vote for their favorite pets. The tally chart shows their answers. Make a bar graph to represent the data from the tally chart.

Dog	Cat	Hamster	Fish	Snake

1. Which pet received the most number of votes? **Dog**
2. Which pet received the least number of votes? **Fish**
4. How many friends voted for snake? **4**
5. How many friends voted altogether? **22**
6. How many more votes did dog receive than fish? **7**
