

Tens and Ones

A. Separate tens and ones to complete each addition sentence.

$$12 = \underline{10} + \underline{2}$$

$$17 = \underline{10} + \underline{7}$$

$$24 = \underline{20} + \underline{4}$$

$$29 = \underline{20} + \underline{9}$$

$$37 = \underline{30} + \underline{7}$$

$$46 = \underline{40} + \underline{6}$$

$$53 = \underline{50} + \underline{3}$$

$$61 = \underline{60} + \underline{1}$$

B. Combine tens and ones to complete each addition sentence.

$$20 + 4 = \underline{24}$$

$$40 + 6 = \underline{46}$$

$$80 + 7 = \underline{87}$$

$$30 + 2 = \underline{32}$$

$$60 + 5 = \underline{65}$$

$$50 + 1 = \underline{51}$$

$$70 + 3 = \underline{73}$$
