Cut out the rectangle as one piece. Fold the left side in (on the line at A) and fold the right side in (on the line at A) as shown in the diagram. Cut on the dotted lines so that Kingdom, Phylum, Class, and Order are strips you can open to the fold. On the inside (opposite “glue here”), fill in the information.

Kingdom

Phylum

Class

Order
Cut out the hexagons and fold on the middle line. Inside (opposite the “glue here” side), write the characteristics of reptiles and some examples of other reptiles.
