

## Matching

Match the Olympic event with the correct description.

Wrestling

This event consisted of five competitions: long jump, discus, javelin, running, and wrestling.

Pentathalon

Some of these events took place on horseback. Others took place on chariots pulled by two or four horses.

Boxing

This event was throwing a wooden spear.

Long jump

This event was throwing an item shaped similar to a Frisbee.

Horse racing

This event took place in the sand. The match was over when a contestant was taken down three times.

Javelin

Competitors would hold weights, swing them, then jump in a sand track.

Discus

Competitors were not allowed to hit below the belt. Hitting in the head was allowed.
