

## Classification of Monkeys

Cut out the rectangle as one piece. Fold the left side in (on the line at A), and fold the right side in (on the line at B). Cut on the dotted lines so that there are 4 strips you can open to the fold. On the inside (opposite "glue here"), write the classification of monkeys: kingdom – Animalia; phylum – Chordata; class – Mammalia; order – Primates.

<b>Kingdom</b>	A →  (glue here)  ← B	<b>Classification of Monkeys</b> 
<b>Phylum</b>
