Cut out the rectangle as one piece. Fold the left side in (on the line at **A**), and fold the right side in (on the line at **B**). Cut on the dotted lines so that each animal is a strip you can open to the fold. On the inside (opposite "glue here"), write or paste the enemy information.

Shrews eat while worms
are active at night.

Moles eat worms while
they tunnel through the
ground.

Hedgehogs eat while
worms are active at
night.

Birds eat worms mainly
in the spring.
