

Writing

Copy any sentence from a book you are reading. What is the subject? What did the subject do (what is the predicate)? Make sure to start your sentence with a capital letter and end it with punctuation.

Subjects and Verbs

Circle the subject and underline the verbs in the sentences below.

After breakfast, Justin cleaned the table.

The shy little girl hugged her mom's leg.

The hyper puppy dropped his ball at my feet.

The food was piping hot.

Sandra forgot her flute for band rehearsal.

William ran the ball up the field.
