

Brazil Lapbook

Cut out the boxes as one piece. Fold down the middle so the words are on the outside. Inside write the answer: New Year's Eve. Attach it to the lapbook. Cut out the ovals as one piece. Fold down the middle so that the question is on the cover. Open and write the answer on the inside. It's WINTER!

Brazil Lapbook

Cut out picture and "deforestation" rectangle. Staple them together at the top with the picture as the cover and the words on the inside. Attach to lapbook. Cut out "Amazon" as a long rectangle or oval and attach to lapbook.

Deforestation is the cutting down of trees in a forest. The most trees are cut down in the Amazon jungle because people want the land for farming. In the last few years about 5,000 square miles of trees were cut down each year.
