Color the flag of Argentina and read about its history.

The Argentine flag has three equal horizontal stripes colored light blue on top and bottom and white in the middle. The center of the white band contains a golden sun known as the “Sun of May” which was based on the design of the first Argentine coin. This flag was first flown in 1812 during the War for Independence from Spain. It was adopted as the national flag in 1816, and the “Sun of May” was added in 1818.
