

Once your child misses a word, it would seem they could benefit from being set to that section. You do that by going to the bottom of the Settings page and clicking on Spelling to add the Spelling block. Then type the lesson number given for that section into the "Change Lesson Number for Course" box. They could then continue through the section that matches their grade level.

Section 1 -- Lesson 1

One – the number one

How – How are you doing today?

Again – That was fun. Let's do it again.

Two – the number two

Black – Penguins are black and white.

Glad – means happy

Section 2 – Lesson 61

Any – Do we have any more of those crackers?

These – These right here are my favorite ones.

Right – I use my right hand to write.

Found – I found a coin on the street today.

Child – Why don't you ask that child all by himself to come play with you?

Watch – I like to watch the birds at the feeder.

Section 3 – Lesson 121

Seven – the number seven

Awful – That was awful. Who made this?

Change – Did you change the batteries? They were dead.

Work – Have you finished all your work for today?

Always – The sun always rises in the East.

Coin – This coin is worth ten cents.

Section 4 – Lesson 181

Voice – She has a beautiful singing voice.

Through – We drove through a tunnel.

Honey – Bees make our honey.

Edge – My mom gets nervous when I sit on the edge.

Field – I saw three deer out in the field today.

Budget – We have a shopping budget so we don't spend too much.

Section 5 – Lesson 241

Energy – I have lots of energy for running around and playing.

Stomach – My stomach is so full after our dinner of pizza.

Daughter – Her daughter is the tall girl over there.

Solve – Can you solve this puzzle?

Bruise – I got a purple bruise from my fall.

Decision – I have a big decision to make.

Section 6 – Lesson 301

Ignore – I think I will just ignore that comment.

Belief – I have a strong belief in God.

Musician – He is a musician. He plays two different instruments.

Cooperation – I appreciate everyone's cooperation working together to get this done.

Strength – His great strength is in his cheerful attitude.

Guidance – I ask my parents for guidance because they are older and wiser than me.
