

Writing and Modeling Equations – Lesson 97

Write $3 + 1 = 4$.

Write $1 + 3 = 4$.

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

Draw a picture that shows the equations above. Show three of something and show one more. There should be four all together.

Writing Equations – Lesson 106

Write $2 + 3 = 5$.

Write $3 + 2 = 5$.

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

Writing Equations – Lesson 120

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$
