Preposition Review, Part 2

Under each Hebrew phrase, write on the left-hand side what you think the English equivalent would be. After you have done this, look up the verse in the English Bible and write the actual translation under the phrase on the right-hand side. Don't worry if sometimes they seem different. Prepositions are very hard to translate because they don't have exact equivalents across different languages.

בְּיִשְׂרָאֵל (Numbers 1:3)

לְיִשְׂרָאֵל (Exodus 18:9)

לְמִשְׁכַּן (Exodus 26:15)
